## Our Partner

We continue our academic association with **Sri Chaitanya Educational Institutes**, Hyderabad. Sri Chaitanya has reached astonishing heights in IIT-JEE 2016: 4 in top 10 AIRs, 20 in top 100 AIRs, 123 in top 1000, 1998 altogether selected in JEE Advanced 2015.

**MPA's latest training program combines our strengths:**  
 MPA's strong focus on the clarity of concepts, in-depth knowledge and joy of learning, with Sri Chaitanya Institutes' time-tested study material, and weekly practice tests to enhance ranks.

## I.I.T. J.E.E. Training Program

Aim of the program is to aid the students to effectively attempt the JEE for the IIT after 12<sup>th</sup> std board exam.

### Salient Features

**One subject - One teacher:** develops excellent teacher-student rapport  
**Maximum 40 students in a batch :** helps in effective one-to-one student- teacher interaction .  
**Peer group advantage:** Only highly motivated, sincere and hard working students qualify at MPA making peer learning very strong. Classroom discussions in our academy are of the highest quality.

### Selection Procedure For IIT - JEE Program

Student is required to write a qualifying test based on the entire school Mathematics, Physics and Chemistry syllabus upto 10<sup>th</sup> standard.  
 All students scoring more than 50% marks in each section of our test will be selected.

### Eligibility Criterion

Any student studying in STD X in 2017 -18 may write the qualifying test.  
**We do not conduct any program for repeaters.**

### Nature of the Qualifying Test

**Duration:** 4 hours.

**Pattern:** The answer for each question is a two digit number , to be entered in the bubble sheet provided. The bubble sheets are electronically checked. Every right answer gets 5 marks, wrong answer gets 0 (zero) marks. There is no negative marking.

**Question format:** It will be one of the most interesting and challenging exams that you have faced! Please note that understanding of only tenth standard syllabus would be grossly inadequate. In addition to testing the level of understanding, this test will check the skill of computing correct final answer and the speed of problem solving of the candidate. Past 5 years' papers with solutions are uploaded on our website. We strongly recommend that interested student should master at least our last three years' question papers.

### Qualifying Test:

**Center :** Dr. Kalmadi Shamrao High School, Erandawane (Kothrud), Pune.  
**Date:** Sunday, 9<sup>th</sup> April, 2017 Time: 1 p.m. to 5 p.m.  
**Registration charges:** Rs. 500/- only  
**Last Date of Registration:** 5<sup>th</sup> April 2017  
**For online registration:** Visit 'IIT JEE training – Selection process' on our web site.
